Dear Tex:

Thanks for transmitting the letter from Juana V. Marconi (on behalf of the ex-Partido Socialists de los Trabajadores) to Ms. Derian. Could you please inform Marconi that Ms. Derian received the letter, is aware of the case, and that our Government is watching it closely.

FYI - As you no doubt know, the UN discussed the status of the two with Brazilian police who promised neither would be returned to Argentina but sent to a third country. Our Consulate General in Sao Paulo is following the case. The Department communicated with our Embassy in Brasilia about the case and understand they will raise it in a low key manner with the Brazilian authorities to indicate our interest.

Sincerely,

Roberta
